

KLONDIKE Brake Blast

PRODUCT DESCRIPTION

KLONDIKE Brake Blast brake parts cleaner is a high quality, advanced cleaning solvent for heavy duty, automotive and general industrial use.

APPLICATIONS

KLONDIKE Brake Blast brake parts cleaner is designed and intended for use as a cleaning solvent for heavy duty, automotive and industrial parts. Such parts may include brake parts including discs, drums, and pads; CV joints, U joints, electrical connections, transmission components, engine components, bearings, gears, or any greasy, oily part that needs cleaning.

KLONDIKE Brake Blast aerosol delivers high pressure spray to blast off debris and leaves the surface clean and free of residue. KLONDIKE Brake Blast in pails is for greater fluid economy and can be applied with a brush or industrial hand held sprayer designed to apply solvents of this type.

FEATURES AND BENEFITS

KLONDIKE Brake Blast brake parts cleaner is an advanced formulation of solvents that once applied will quickly dissolve and remove grease, oil, brake fluid, road grime, and dirt. This non-chlorinated, low odor formula dries fast, leaves no residue, and is safe for use on most materials including plastics.

KLONDIKE Brake Blast brake parts cleaner delivers value through the following benefits:

- **Low odor** – pleasant to work with.
- **Wide material compatibility** – safe on most surfaces.
- **Fast dry** – quick, efficient product use.
- **Effective** – rapid degreasing action.

KLONDIKE Brake Blast

HEALTH AND SAFETY

This product is not expected to have adverse health implications when used for its intended application. For detailed information on safe handling of this product, refer to its Material Safety Data Sheet (MSDS). To obtain an MSDS on this or any other KLONDIKE product, please visit www.klondikelubricants.com or call 1-877-293-4691. When disposing of used product, be responsible to the environment.

BRAVING THE FORCE OF MOVEMENT

KLONDIKE stands for robust, reliable, high quality products tailored to suit the requirements of the on- and off-road heavy duty, automotive and industrial markets. Our solutions span from trend-setting retail lubricants through small-batch custom formulations to large bulk orders ready for immediate delivery.

The extensive KLONDIKE product range includes premium oils, lubricants, greases, chemicals and specialty fluids formulated with virgin base oils and protective inhibitors. Designed to handle the most extreme climates and operating conditions, the KLONDIKE products protect and extend the life of your equipment, optimize performance and improve productivity while meeting and exceeding industry standards and specifications.
